Dear Mr. Dang,

Syscan will not oppose this continuance motion. Please send me the motion paper at your convenience.

Dear Mr. Chou:

As a follow-up on my previous email, I have spoken to the Court's clerk regarding this issue. I will prepare and file a motion to request that the Court continues the Initial CMC (as well as all related deadlines, including the filing of ADR documents) for 60 days to allow the parties to finalize the settlement agreement. I assume that Syscan will not oppose the motion. I plan to file the continuance motion by the end of business tomorrow.

Please let me know if you have any additional questions or issues.

Thanks,

Sang N. Dang

Dear Mr. Dang,

Can you prepare a notice to the court indicating that the parties have reached a settlement pending the final review of the license agreement. If a stipulation is required, please prepare at your end and send it to me for review before your filing with the court.

Thank you for your kind assistance in this matter.

Regards,

Yung-Ming Chou
